

Mohammad Reza Ghassemi,

Email: ghassemi.m.r@gmail.com

Phone: (9821)64592476

Fax: (9821)66070511

Address: Research Institute for Earth Sciences, Geological Survey of Iran, Meraj Ave., Azadi Sq.,
Tehran, Iran, P.O. Box: 13185-1494

Date of Birth: May 10, 1961

B.Sc. in Geology: 1985, University of Tehran, Iran

M.Sc. in Geology: 1990, University of Tehran, Iran

Ph.D. in Geology: 1996, University of Ottawa, Canada

Associate professor at the Research Institute for Earth Sciences

Twelve years of management experience in different sections of the Geological Survey of Iran

Former Member of the Board of Trustees, Geological Society of Iran

Teaching Experience

Twenty years of teaching experience in B.Sc., M.Sc. and Ph.D. programs

Advising and supervising 96 M.Sc. and Ph.D. Thesis projects

Publications

9 geological reports in Persian

53 abstracts in national symposiums

11 abstracts in international symposiums

14 papers in national journals

2 books in Persian

Involvement in preparation of 6 standard geological maps and related reports at the Geological Survey of Iran

1 book on Structural Geology (in Persian)

Papers in International Symposiums

Ghassemi, M.R., and Benn, K., 1994, Structure and metamorphism related to Late Archean collision in the northwestern Pontiac Subprovince, Quebec., Proceedings of the Annual Meeting, Geological Association of Canada, Mineralogical Association of Canada, Waterloo, Canada.
