Educational Background

- Ph.D. of Geosciences (Paleontology). 2012, Université de Lorraine, Nancy, France.
- M.Sc. of Geology (Stratigraphy and Paleontology). 2001, Shahid Beheshti University, Tehran, Iran.
- B.Sc. of Geology. 1997, Isfahan University, Isfahan, Iran.

Research Interests

Paleontology of Jurassic Corals

Paleontology of Devonian Brachiopods

Stratigraphy

Geology

Gems and Minerals

Professional Experiences and Positions

- | | |
|-----------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1997-1999 | Head-Geologist of Sodium Sulfate Exploration in Mighan Lake Project, Mines and Metals of Markazi Province (Ministry of Mines and Metals), Arak, Iran. |
| 1999-2002 | Geology Teacher, Kamal High school, Tehran, Iran. |
| 2002-2003 | Geology Teacher, Kowsar High school, Tehran, Iran. |
| 2002-2004 | Well-site Geologist, Subsurface Department, Exploration Directorate of National Iranian Oil Company, Tehran, Iran. |
| 2004-2006 | Superior Well-site Geologist, Subsurface Department, Exploration Directorate of National Iranian Oil Company, Tehran, Iran. |

- 2009-Now Author of coralloosphere.org, a web application for compiling taxonomic information on Scleractinian corals.
- 2012-2014 Superior non-foraminifera Paleontologist, Paleontology and Geochemistry Researches and Studies Department, Exploration Directorate of National Iranian Oil Company, Tehran, Iran.
- 2014-Now Expert non-foraminifera Paleontologist, Paleontology and Geochemistry Researches and Studies Department, Exploration Directorate of National Iranian Oil Company, Tehran, Iran.
- Feb. 2014-2016 Invited Professor (Invertebrate Paleontology: course and laboratory for M. Sc.), Zanjan University, Zanjan, Iran.
